

DOMAINE DE L'AMAUVE RHONE VALLEY LAURENCES 2021

A very authentic expression of the Southern Rhone with stacks of black raspberry and blackberry fruit that's not a jot too loud. Delicate sandalwood, licorice and violet nuances. Impressive concentration and fine dry tannins for this vintage give this a velvety mouthfeel that extends right through the long finish. A cuvee of grenache and syrah. Vegan. From organically grown grapes. Drink or hold.
